

"Where education is not just preparation for life, but life itself!"

January 17, 2025

Dear JYK Discovery Families,

I am writing to share important information about our school's designation under Pennsylvania's Every Student Succeeds Act (ESSA) plan. The Pennsylvania Department of Education has recently identified our school as a Targeted Support and Improvement (TSI) school. This means that while our overall student population is meeting state established standards, we need to make improvements in supporting at least one of our student groups to also reach standards in areas such as student achievement, attendance, and growth.

Being identified as a TSI school provides us with the opportunity to examine what's working and where we need to make changes to ensure every child has access to a high-quality education.

We are committed to working with families, teachers, and the community to develop a plan that focuses on improving student achievement. Your voice is essential in this process, and we will provide opportunities for you to share your thoughts and ideas as we move forward.

If you would like to learn more about the federal designations please visit [PDE's School Improvement and Accountability](#) web page. Additionally, information about our school's performance can be found on the [Future Ready PA Index](#).

Together, we can make our school a place where every student thrives. Thank you for your ongoing support, and please feel free to contact one of our Academic Directors, Mrs. Greaves [mmillergreaves@dcsschool.com] or Mrs. Jackson [tjackson@dcsschool.com] if you have any questions or concerns.

Sincerely,

Sharlyne Cloud, CEO
