

MyPowerHub Startup Guide for Parents

What is MyPowerHub?

MyPowerHub is an online platform that is part of PowerSchool where parents can stay up-to-day with:

- Grades & Assignments
- Attendance - Coming Soon
- Schedules
- JYKDCS Announcements (e.g., Newsfeed)

How do I access MyPowerHub?

To access MyPowerHub, follow the steps below. Parents of new students enrolled in JYK Discovery Charter School will need to create an account. This includes kindergarten students who do not have siblings already enrolled.

Step 1: Access the PowerSchool Parent Portal

On your device:

1. Visit the school's website under the Parents Tab, you will see a drop down to Program and Resources or Parent Info Page, then click into the PowerSchool / MyPowerHub (Click Here) to access the JYKDCS [PowerSchool login](#) page or [MypowerHub login](#).

Step 2: Log In or Create an Account

Already Have an Account:

1. Enter your Username and Password (contact your child's school if you need your Access ID & Password).
2. Click Sign In.

Need to Create an Account?

1. Click "Create Account" on the login page.
2. Fill in:
 - a. Your Name
 - b. Your Email
 - c. A Username & Password
3. Link your student(s) using the Access ID & Password (provided during new parent orientation and back to school night).

Step 3: Navigating the Dashboard

After login, you'll see your student's home screen that contains PowerTiles, chunks of information such as grades, assignments, schedule, etc

You can click on the PowerTiles or any of the available options located in the column on the left side of home screen:

- Grades - View current and past grades
- Attendance - View daily and past absences - **Coming Soon**
- Schedule - See daily and weekly class schedules
- Email Notifications - Set up auto-updates about grades & attendance
- Newsfeed - View course, school, and district announcements
- School Bulletin - Read announcements for current school day
- Account Preferences - Update your info and student access

Step 4: Check Grades & Attendance

1. Click on Grades and Attendance.
2. You'll see current course grades and attendance by class.
Click any grade to see detailed assignments, scores, and teacher comments.

Step 5: Set Up Notifications

1. Click Email Notification.
2. Choose:
 - a. What info you want (e.g., grades, attendance, etc.)
 - b. How often you receive it (e.g., daily, weekly)
3. Save changes.

Step 6: Access MyPowerHub on Your Phone

1. Search for and Download the app: PowerSchool Mobile
 - a. iPhone: App Store
 - b. Android: Google Play Store
2. **Enter code for Discovery Charter School District: WSGK**
