# DIRECTOR OF EDUCATION UPDATES

Mr. Hunter

Parents, as Academic Director, I know that student success starts with strong communication. Please stay in close contact not only with me, but especially with your child's teacher — they are your first and best source of information about what's happening in the classroom.

Let's work together to build a bridge to greatness for your child.

# DIRECTOR OF TECHNOLOGY UPDATES

Mr. Fields

As Director of Technology, I can truly say that the best way to know what's happening in and around our school is to explore our website. There is a wealth of information available—from our frequently updated home page, to PowerSchool links under the Parent Information tab, to Programs and Resources, the School Calendar, and the Student Handbook.

Everything you need to better understand Discovery's mission and vision, and to stay informed and supported, can be found there to guide you in many different directions.
